Subject : M.E./M.Pharm. Synopsis approval process.

Sir,

The Synopsis of M.E. Students are submitted to PGBUTR Section for approval. The following additional guidelines are issued for the approval process.

- 1) The M.E. Course semester III requires the synopsis submission by the student. The student shall then submit the report and deliver a seminar on the problem chosen by him/her to the panel of three departmental P.G. recognized faculty members.
- 2) The Committee of three faculty member should be formed taking care that all the members are solapur university recognized P.G. Teachers preferably from the same college.
- 3) Further If sufficient P.G. approved teachers are not available in the same college to complete the panel then other affiliated colleges P.G. approved teachers in concerned subject/branch may be appointed, to form the committee for the approval of the synopsis. However the Guide has to be from the college where the student is admitted.
- 4) The College should seek approval of Solapur university for such committee to be formed as in (3)above before conducting synopsis approval process i.e. if a P.G. Teacher of another affiliated college is to be included in the committee.

Thanking You.

Yours Faithfully
