There is a similar award scheme for University teachers.

Award of Rs. One Lakh for College Teachers doing Quality Research

There are teachers in science colleges, involved in quality research in their disciplines. They are mainly driven by their own motivation. Also, Principals and Managements of such colleges support their efforts. The number is small today, but it is increasing. To encourage this trend, Marathi Vidnyan Parishad has instituted an award for college teachers*, who are doing quality research in science subjects.

Award is aptly named after the legendary scientist Professor M. M. Sharma as '**Prof. Man Mohan Sharma Award for Science and Technology**'. Professor M.M. Sharma has done exemplary research in chemical technology throughout his career in UDCT (now, ICT). The scheme in nutshell :

- ▶ One prize of Rs. one lakh every year for college teachers doing quality research in science colleges.
- ▶ Any member of teaching faculty in a college affiliated to a state university in Maharashtra state with a teaching experience of minimum 10 years is eligible. Age limit is 55 years.
- ▶ The research work must have been primarily done in his own college.
- ▶ Last date for receiving nominations is **31st August, 2017.**
- ▶ For further details, and for downloading the form of nomination, please visit www.mavipamumbai.org OR email us office@mavipamumbai.org
